March 2007

Dear Senior and Parent:

We at Galt High School believe the graduation ceremony is an important event, a time to show pride, respect and appreciation. We encourage all students to take part in the ceremony, but participation is optional and a privilege. We expect students to demonstrate responsibility and proper behavior during the last quarter of school and during the ceremony.

There are three forms the student and parent must sign if the student wishes to participate in the graduation ceremony and Senior Activities Week. The first is the *Senior Guidelines* which details expected school attendance, behavior and academic performance during the 4th quarter. The second is the Senior Class Pledge that covers expected dress and behavior during the graduation ceremony. The third is the contract for Senior Activities Week.

Please read these forms carefully. The three sheets with student and parent signatures must be returned to the "Senior Letter" box in the counseling office. **Students who do not return their forms will not be allowed to participate in the graduation ceremony and/or Senior Activities Week.** (The 18-year-old signature privilege does not apply for graduation activities.) We have established a tradition of a dignified and meaningful ceremony, and we wish to continue this tradition and have you share in it.

Thank you in advance for your cooperation and participation.
